Certificate of Estimated Property Tax Millage Rate

(Use this form when a taxing authority certifies an amount of revenue and requests the millage rate required to produce that revenue.)

I, Jack Reser, county auditor of Logan County, Ohio, do hereby certify the following:

On July _1_ 2025, (date) the taxing authority of the Logan County (political subdivision) certified a copy of its resolution or ordinance adopted July 1, 2025 (date) requesting the county auditor to certify the current taxable value of the subdivision and the number of mills necessary to produce \$10,000 of revenue, to levy a tax outside the 10-mill limitation for West Liberty CE purposes according to Ohio Revised Code, to be placed on the ballot at the November 4, 2025 election.

The levy type is renewal.

The estimated property tax millage required to produce the stated revenue, assuming the tax valuation of the subdivision remains constant throughout the life of the levy, is calculated to be:

- a. (.70) mills for each \$1 of taxable value.
- b. estimated \$2 for each \$100,000 of the county auditor's appraised value.
- 3. The total taxable value for calculating the estimated property tax millage rate is \$36,678.130.
